It's that time of year when we realize all the benefits that we get from being part of the Temple community, including the Men's Club.

As we have done previously, we are planning a great year of programming. Here are some dates that you should already put in your calendar:

- Oct 4: Dinner in the sukkah... steak and scotch, beef and brew, what will it be this year?
- Dec. 24: Our annual late-December night, what will it be this year?
- Jan 7, 2024: Man of the Year awards dinner
- Jan 15, 2024: Semi-annual blood drive
- Feb 11, 2024: World Wide Wrap
- Feb 11, 2024: Super Bowl party
- March 2024: Men's Club Shabbat (exact date to be announced)
- And many more to be announced

We're continuing a member benefit where members get a 10% discount on all event fees (except for the Dec 24 event) when paid in advance. The more you attend, the more you save!

So join the Men's Club and be "One of the Guys." Your dues support the programs that benefit you, our Shul, and the broader Temple community. A win-win!

Sincerely,

Ira Kizner
