Moshe Gold and Rabbi Malomet in the Western Negev region, Talmei Yosef, during the Darom Adam Festival, February 2023.

Everyone is invited for a special session with our good friend, veteran tour guide, Israel educator, Moshe Gold, on Zoom from Israel.

Moshe grew up in the Negev, not far from the Gaza Envelope. He will talk about the events of October 7 and some of the communities and what they went through.

He will share with us, what is currently transpiring in Israeli society, how people are processing October 7, the hostages, and the victims of that terrible day, how Israeli society is mobilized in this war, how this war is different. From daily life right now, and even trying to think ahead, down the line even though sometimes right now, it's hour to hour or day to day.

This will give us a chance to ask questions, and to give comfort and to share how we are experiencing this time as well.

We look forward to seeing you!
