

# Never Forget October 7

## The Heart of NJ Comes Together to Remember

Together we will honor the victims and celebrate the resilience, courage, heroism, and strength of the Israeli people. We embrace hope in the words of our prophet Isaiah: "Nation shall not lift sword against nation..They shall never again know war."

### Very Special Guest from Israel

Nova Festival massacre survivor Shye Klein, documented his escape and will share this experience through storytelling, video, and photographs.
