As a twenty-three-year-old graduate student, Aaron Lansky set out to save the world's abandoned Yiddish books before it was too late. Today, more than a million books later, he has accomplished what has been called "the greatest cultural rescue effort in Jewish history." In *Outwitting History*, Lansky shares his adventures as well as the poignant and often laugh-out-loud stories he heard as he traveled the country collecting books. Introducing us to a dazzling array of writers, he shows us how an almost-lost culture is the bridge between the old world and the future—and how the written word can unite everyone who believes in the power of great literature.
